

# Structural Appraisal:

survey + report for a domestic roof

It couldn't be easier:

- 1 **You** request a structural appraisal.
- 2 We arrange and complete the property survey, do the calculations and write the report.
- 3 The completed report is sent straight to **you**.

site visit + report = **£180\*** +VAT

\* Cost based on multiple same day inspections for an average domestic installation on a **3/4 bedroom house**.
